PR1 stands for Progress Report 1, etc.
 1st, 2nd, etc. are the six weeks grades.
 SE1 or SE2 are semester exam grades.
 S1 or S2 are semester averages.

By clicking on the class number it will take you into that teacher's gradebook for you to see your student's individual grades.

The Skyward gradebook allows parents to view all posted grades for each class. Clicking the underlined grade shows all of the assignments that make up that particular grade.

The screenshot displays the Skyward Family Access web application in a Google Chrome browser. The browser's address bar shows the URL: <https://skyward.redoakisd.org/scripts/cgiip.exe/WService=wsSkyTrn/sfwmnu01.w>. The page header includes the student name "JOHN J. DOE" and the school "RED OAK HIGH SCHOOL". There are links for "English", "Spanish", "Account Info", "Print", and "Logout".

The main navigation area contains several tabs: "Gradebook", "Progress Report", "Missing Assignments", "Teacher's Log", and "Comments". The "Missing Assignments" tab is currently selected, and the text "There are no missing assignments" is displayed below the navigation tabs.

On the left side, there is a "General Information" menu with the following links: [Calendar](#), [Student Information](#), [Gradebook](#), [Message Center](#), [Attendance](#), [Schedule](#), [Discipline](#), [Test Scores](#), [Report Cards](#), [Email Notifications](#), [Health Information](#), and [Login History](#). At the bottom left, it says "Translation powered by Google™".

Two yellow callout boxes with black borders provide instructions:

- The first box, with an arrow pointing to the "Missing Assignments" tab, contains the text: "By clicking on the 'Missing Assignments' Tab, you will be able to view any missing assignments for your student."
- The second box, with an arrow pointing to the "Comments" tab, contains the text: "Comments will show any teacher comments that are added to the progress report or report card."
