Substitute Handbook

INTRODUCTION AND DISTRICT INFORMATION

Welcome to the Red Oak Independent School District!

We have an outstanding school district where children truly come first. Our district has five elementary schools, one middle school (6-8), and one high school (9-12). Our teachers and administrators are dedicated professionals who are committed to providing our students with the best possible education.

The Handbook for Substitute Teachers was created to provide you with information about being a substitute teacher at Red Oak ISD. In this Handbook, you will find information regarding pay and pay dates, as well as specific guidelines and policies that apply to substitutes at ROISD.

A substitute works as a temporary, on-call, at-will employee. **It is not a permanent full-time or a permanent part-time position.** It is an opportunity for employment on an “as-needed” basis. Red Oak ISD does not guarantee any amount or period of work. A substitute may not be eligible for unemployment compensation benefits drawn on school district wages during any scheduled school breaks including, but not limited to summer, winter, fall or spring break.

The following requirements must be met before an applicant can be hired as a substitute teacher:

- Official transcripts from your GED, high school, Associate, Bachelor, Master’s degrees or your teacher certification.
- Complete district required trainings
- Complete fingerprinting process-criminal background check
- Attend substitute orientation. Substitute orientations are by invitation only. A substitute may be required to attend additional trainings prior to renewal.

TRS CREDIT FOR SUBSTITUTES

If you serve as a substitute in a position otherwise eligible for membership in TRS, you may purchase a year of service credit when you have rendered at least 90 days of substitute service in one school year. A substitute is a person who serves on a temporary basis in place of a current employee. *A substitute may be paid no more than the daily substitute rate of pay set by the employer.* If you have eligible substitute service, it must be verified by your employer on a "Verification of Substitute Service and Salary" form (TRS 22S), which is also available on the [Texas Teacher Retirement System \(TRS\) website](#).

TRS RETIREES

A SUBSTITUTE for TRS (Texas Retirement System) purposes is a person who serves on a temporary basis in the place of a current employee. Also, working any part of a day as a substitute counts as working a full day. Individuals receiving retirement benefits from the TRS may contact them at 800-223-8778 or 512-542-6400 with any questions or concerns regarding employment after retirement. Information is also available on the TRS website at www.trs.state.tx.us.

Beginning Sept. 1, 2016, you may also serve in a position that is vacant, provided you do not work more than 20 days in that vacant position and the position is not vacant because you retired from it. Prior to Sept. 1, 2016, the position filled by the retiree could not be vacant and be considered a substitute position. You may serve in a vacant position for more than 20 days, however beginning on the 21st day of service in the same vacant position you will be considered by TRS under another employment type such as full-time, a combination of substitute and one-half time, or one-half time rather than as a substitute.

Continuation of Substitute Employment

Red Oak ISD will allow substitute employees the opportunity to return for continuation of employment by yearly signing a new Letter of Reasonable Assurance, the required insurance form, the substitute handbook acknowledgement and returning each of them in a timely manner. This opportunity is available to all substitute employees who have performed their duties in an acceptable manner during the course of the school year and have ended the year in active status.

District Codes Used in Frontline

The following codes will be placed on a substitute's Non-Work Day when needed.

1. This will be for aborted calls for today. When Frontline phones the available substitute's phone number on file for an open position and the sub does not answer the phone.
2. This will be for rejected calls for today. Frontline phones the available substitute. The sub answers and chooses reject from the options.
3. This is for did not post non-work day, did not return call, did not accept assignment. Staff contacts the available substitute via a phone call and must leave a voice message concerning assignments that are open for the day. During the message, a request for a call back is left.
4. This is for no per phone to HR staff. HR Staff contacts the available sub, the sub answers the phone and tells the staff they will not work for the day.
5. This is for canceled assignment for today and left us without coverage. A sub takes an assignment and then cancels it leaving us with coverage in the assignment for the day.
6. This is for mailbox is full or not set up. HR Staff attempts to contact the available sub and cannot leave a message concerning open assignments.

Available substitute is defined as one who has not accepted an unfilled assignment for the day or placed a Non-Work Day on their Frontline webpage showing that they are not open to sub for that day.

Each classroom has a Fire Drill and a Tornado Drill map posted by the classroom door. Please review each map for classroom exits and locations. In addition a crisis management folder should be available upon request. All substitutes should familiarize themselves with the fire and safety drill regulations and assigned areas. They must account for all students under their supervision.

All personal cell phones/personal electronic devices must be turned to silent during the instruction period. Use of personal devices, whether talking, texting, or use of the internet during instruction periods could be grounds for dismissal.

While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons, including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the Superintendent.

The District's policy includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation can be found online at [Red Oak ISD: Bullying/Harassment Policy website](#).

Harassment of Students (*Policies DH, FFG, FFH*)

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official/administrator. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See Reporting Suspected Child Abuse, and Bullying, in the Employee Handbook for additional information. The district's policy that includes definitions and procedures for reporting and investigating harassment of students can be found on the district website: [Red Oak ISD: Bullying/Harassment Policy website](#).

Other prohibited conduct includes the following:

- Engaging in sexually oriented conversations for the purpose of personal sexual gratification

Employees, visitors, and students, including those with a license to carry a handgun, are prohibited from bringing firearms, knives, clubs, or other prohibited weapons onto school premises (i.e., building or portion of a building) or any grounds or building where a school-sponsored activity takes place. A person, including an employee, who holds a license to carry a handgun may transport or store a handgun or other firearm or ammunition in a locked vehicle in a parking lot, garage, or other district-provided parking area, provided the handgun or firearm or ammunition is properly stored, and not in plain view. To ensure the safety of all persons, employees who observe or suspect a violation of the district's weapons policy should report it to their supervisors or call the Red Oak ISD Police Chief at 972-617-4608 immediately.

Equal Employment Opportunity *Policies DAA, DIA*

Red Oak ISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, sex (including pregnancy), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's qualifications, experience, and abilities.

Employees with questions or concerns relating to discrimination for any of the reasons listed above should contact the Deputy Superintendent at the Education Service Center at 972-617-4640.

Searches/Alcohol and Drug Testing (Policy DHE/CQ)

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business.

Telephone Usage

Telephones in school offices are to be used for school business only and are under the jurisdiction of the principal. No one should be called from class to answer a telephone call unless it is an emergency. A phone is available in each classroom for staff members' safety and to use for parent conferences and personal calls during conference periods. Employees should not use the Red Oak ISD phone system for personal long-distance calls. Cell phones may not be used during the instructional day with the exception of lunch, conference periods, and official breaks. Cell phones must remain on silent during meetings. Cell phone use is prohibited during standardized testing.

Tobacco and Nicotine Products and e-Cigarette Use (Policies DH, GKA, FNCD)

State law prohibits smoking, using tobacco and nicotine products, or e-cigarettes on all district-owned property and at school-related or school-sanctioned activities, on or off school property. This includes all buildings, playground areas, parking facilities, and facilities used for athletics and other activities. Drivers of district-owned vehicles are prohibited from smoking, using tobacco products or e-cigarettes while inside the vehicle. Notices stating that smoking is prohibited by law and punishable by a fine are displayed in prominent places in all school buildings.

Employees are prohibited from possessing or using any type of nicotine products, including nicotine pouches, regardless of whether the product contains tobacco, while on school property or while attending an off campus school-related activity. Exceptions may be made for smoking cessation products with supervisor approval.

Re-Employment

At the end of each school year, all active substitutes who have met the minimum assignment fulfillment will receive a "Letter of Reasonable Assurance." This letter must be signed and returned to the Human Resources Department by the date indicated on the letter. Failure to return the letter is considered a resignation. The substitute must also sign and return the yearly insurance form and substitute handbook receipt.

Removal from Service

A substitute who has not accepted three (3) days per school year may be considered inactive and will be removed from the active calling list. Substitutes may be removed from district service at any time it is deemed necessary and appropriate to do so. Substitutes may also be excluded from working at particular campuses if the school or district administration concludes it is in the best interest of the district to do so. Substitutes removed from the district list may re-apply after one calendar year. Substitutes who wish to have their name removed from active status must send a written notice to Margaret Wolf. The written notice may come by mail, email, or fax. At will employees are free to resign at anytime, for any reason or for no reason. Although substitutes are at-will employees, the expectation is that they are hired to pick up assignments. In order to maintain an accurate list of substitutes available for work, Red Oak ISD reserves the right to resign individuals who are not actively working.

Frequently Asked Questions

1. How much notice should I give when I need to cancel an assignment?

As soon as you know you cannot honor your commitment you should contact Margaret Wolf. The longer you wait to cancel the harder it is for the campus to get someone to replace you. Continual canceling of assignments can cause you to be blocked/removed from the active sub list.

2. Who do I contact if I am running late?

Call the campus main number (located on page 3 of this handbook and on the district website) and let them know when you will be arriving and the reason you are running late.

3. I created a Non-Work day in Frontline but now wish to work. Am I allowed to delete it from the system?

Yes. When you log into Frontline you will see your current month calendar as well as the next two months. Click on the day you have marked as a Non-Work day. You will see a trash can next to the information. Click on the trash can, confirm your selection and the day will now be open for you to work.

4. Is it really necessary to wear my badge all day?

Yes! All district employees wear their badge to signify they have permission to be on campus. Your badge will also identify that you have been approved to be on campus. This is also a campus safety factor. The state also completes unannounced audits on campuses to review safety procedures.

5. Is there a “best time” to look for assignments?

Frontline is a real-time system so assignments are posted and can be accepted 24 hours a day, 7 days a week.

6. I am having trouble logging into Frontline. What do I do?

First contact Margaret Wolf. She will walk you through the steps for logging on and determine if it is a system error. You may have been deactivated for some reason (inability for us to reach you through your phone message system, campus concern requiring investigation, failure to work the required number of days, etc.).

7. Is it ok for me to answer my cell phone/text/use social media during class time?

No. Please make sure you are devoting your entire attention to the students during instructional periods. If you have an emergency one day that requires you to answer your phone, please contact the campus office staff at the beginning of your assignment duty.

8. Can I leave the campus for lunch?

Yes, subs are allowed 30 minutes for lunch. You must check out with the front office when you leave and check back in when you return. You must be in the classroom prior to the beginning of the next class period.

9. What if I have a student behavior concern while I am on campus that I need help with?

Please contact a team member or a campus administrator for support.

10. The teacher I am subbing for has a conference period during the day. Is that free time for me?

No. Substitutes are not guaranteed a conference period as free time. On a day-to-day basis, a substitute may be asked to work in other classrooms/areas of need during this time. You will need to check with the front office during this time to see where you can be used

11. What do I do if I have encountered a problem or have a concern about something that has happened on campus?

First, please contact either the campus office staff or a campus administrator. You may also contact Margaret Wolf if you have continued problems.

12. How often do I have to work to stay on the active sub list?

You must work a minimum of three (3) full-day assignments in a year. Sporadic work history or continually being unavailable to work can result in removal from the active sub list.

13. What do I do if I no longer am able or desire to substitute?

You must submit in writing (email, fax, or mail) a request to be removed from the substitute list.

14. How long do I have to wait to withdraw my money from the FICA Alternative Retirement account?

You will need to contact the following with any questions concerning withdrawals:

**TCG Administrators
900 S Capital of Texas HWY, Suite 350
Austin TX 78746
Phone: 1-800-943-9179
Fax: 1-888-989-9247**

15. Do I need to fulfill extra duties while on campus?

You will need to be on campus for the entire assigned time of the absence as reflected in Frontline. If you sign up for a "full day" you will need to stay until the end of the day and not leave prior to when students are dismissed for the day. You will need to fulfill any request from the campus administrator.

16. Is there an app for seeing assignments?

Red Oak ISD does not offer an app. Frontline Education offers one a substitute can access at:
