4. Superintendent's Update

Mrs. Sanford shared the Middle School update:

Our district is growing and the new middle school is on target to be finished for move in December of 2025 and student occupied January 2026. We had a beam signing. The school board voted and named the school - Dr. Joy Shaw Middle School. If you would like to see pictures of the progress, visit the district website. Look under Bond.

Committee question: how will the teachers be split?

The district is developing a process for teachers to have a voice

Committee question: will teachers know what campus placement they will have before school is out this year?

Yes, they will know because scheduling will have to take place before the beginning of the new school year.

5. Curriculum and Instruction Update

K-12 are using provided lesson plans from the district's primary resources. Thanks to everyone for working diligently to internalize these new lessons. The Curriculum Department is supporting the campuses and accepting feedback on how to streamline and improve the processes.

6. District Operations Update

Dr. Lamb elaborated on the new middle school progress. The district zoning is planned for January 2025. Safety updates - we are prioritizing mandated and district needs.

Committee question: what is the district requirement about interior/classroom door window coverings? Are there certain types of films that are acceptable?

Dr. Lamb will get more details and report back.

7. District Improvement Plan - Sub-committee: Survey Strengths and Interests

Each committee member completed the Strengths and Interests survey

8. Q&A

There were no questions.

9. Closing/Adjoin

Meeting adjourned at 5:08pm.
