

## Red Oak ISD District Advisory Committee Meeting

October 15, 2020

4:30 pm via Zoom

### Minutes

The meeting was called to order at 4:30 by Shondra Jones, with 21 members present on the Zoom link. A quick welcome was given by Shondra, and the agenda started with an update on Connect With Kids (CWK). Shondra will have a “walk through” of the website with the CWK tech team on Friday morning, October 16, 2020, to review the site and ensure everything is loaded and accessible.

Shondra reviewed the District of Innovation plan update with the committee. We are months ahead of schedule, and Superintendent Sanford will discuss with School Board on whether the DAC will serve as the committee to review the DOI for the upcoming renewal, or if another committee will be formed to serve this purpose. We will have more information regarding this at the December meeting.

Next, the committee participated in a discussion of the District Improvement Plan update for 2020-2021. Several members had questions regarding Title I, Title II, Title III, Title IV, graduation rates, supplement books for the new bilingual campus, academic strengths, TEKS Resource System initiative, and some details in the objectives and strategies of the DIP. The questions were noted and will be forwarded to the specific department lead for a response. We will address the questions and responses in our next DAC meeting in December.

The committee was informed that a meeting could possibly be called before December 10, 2020, pending feedback or actions taken by the School Board regarding the DOI or DIP. The meeting was opened for questions and answers. There were none brought forth. The meeting adjourned at 5:05 pm.
