

## Red Oak ISD District Advisory Committee

December 10, 2020

4:30 pm via Zoom

### Minutes

The meeting was called to order at 4:31 by Shondra Jones, with 23 members present on the Zoom link. After the welcome, the meeting began with an update from Shondra Jones on Connect With Kids (CWK), which is now live on the district's homepage and ready to use. Lisa Menton, Director of CTE, also gave an update on College, Career, and Military Readiness (CCMR).

Superintendent Sanford provided an update on the breaking news from TEA regarding STAAR and A-F Accountability for the 20-21 school year. While students will still take the STAAR tests this spring, the scores will not be used for A-F accountability for schools or districts. The tests will be utilized to measure student academic growth. Mrs. Sanford also updated the committee on the 2000 devices that the district ordered in June, and are scheduled to arrive by December 30<sup>th</sup>. If the devices are received by that date, TEA will reimburse the district 75% of the cost.

Shondra Jones reviewed the current District of Innovation (DOI) goals and comments from the leaders in charge of the current goals. Most of the goals will be retained, with some modified language, while two will likely be deleted. Scott Rogers provided an update on the District of Innovation renewal process and information for the next steps for the DAC committee.

The floor was opened for questions. None were noted. The next meeting is scheduled for January 14, 2021 at 4:30 pm, via Zoom. We will continue with the DOI renewal process and perform a formative review of the District Improvement Plan.

Meeting adjourned at 5:01 pm.
