Bring Your Device

ROISD established 1-to-1 devices for all students over the past years so that all students would be able to have access for educational use. Students may use their personal device or request one issued to them through the ROISD Technology Department. Devices should use the district Wi-Fi access and must follow all ROISD Internet Safety and Acceptable Use policies and guidelines. Best devices include current smartphones, tablets, and laptops. E-readers and gaming devices will not run educational apps. Access to district technology resources is a privilege and may be revoked for use violations.
