

How do I sign up for a Canvas web account as a parent?

Parents can create a Canvas account that will link to their student's account so they can see assignment due dates, announcements, and other course content.

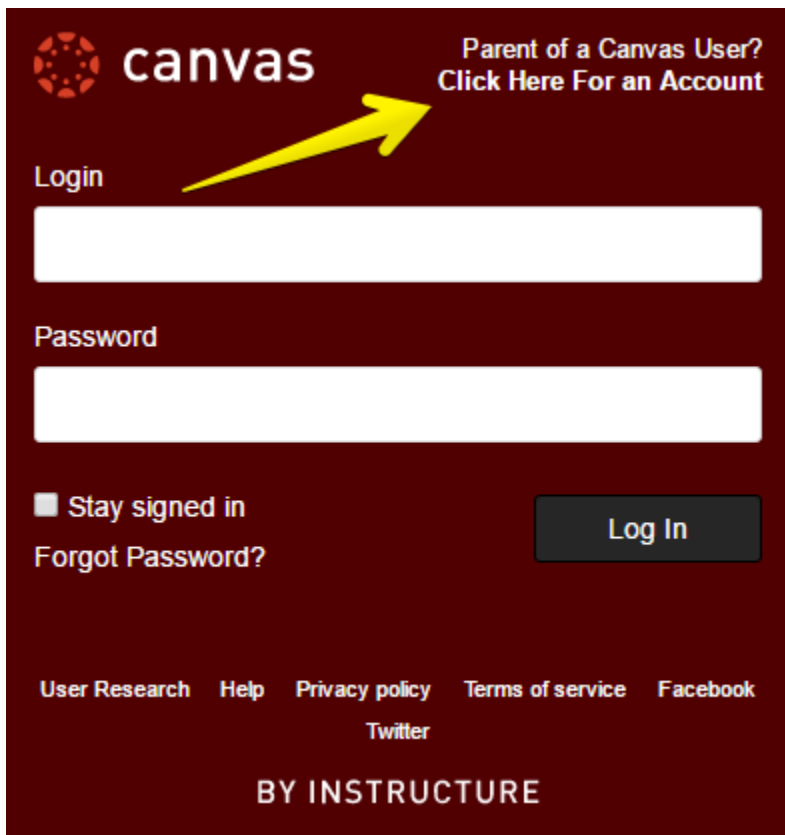

Note:

- Parents can view student information through the Canvas Parent App also, though Canvas Parent accounts are separate from web accounts created in Canvas. Click [Click for directions for using the App](#) . Please be aware that this Parent App is still in beta and does not provide full functionality of the web browser version.

- **Open Red Oak ISD's Canvas URL**
