GRADE POINT CALCULATIONS

GRADE POINT STRUCTURE

Red Oak High School employs a weighted grading system. Generally, classes with more rigor and which require more outside work receive a higher number of points on the grading scale. When a student transfers grades for properly documented and eligible courses, the District shall assign weight to those grades. Beginning with students entering grade 9 in the 2014–15 school year, grades used for computing the GPA shall be converted to grade points in accordance with the following structure. Please see the specific course description for GPA level designation.

TSI & College Readiness

- ✓ College Readiness is a student's ability to enroll in & succeed in college credit courses without remediation.
- ☑ Texas law requires testing in the areas of Reading, Writing, & Math to determine college readiness prior to enrollment in college academic courses using the TSI test.
- ☑ College students who are not TSI complete will have to take developmental courses.
- ☑ TSI is given at ROHS on certain Saturdays throughout the year
 & ROHS will give to sophomores who need it on a school day this spring.

KNOW THE ADMISSIONS REQUIREMENTS FOR THE COLLEGE YOU WANT TO ATTEND

Go to <u>undergraduate freshman admissions</u> on your college's website &:

- #1- Determine the SAT or ACT score required as determined by your rank & quartile (one reason why your grades are so important!)
- #2 Does your school require certain high school courses? Algebra II?

High school class rank	New SAT (after March 2016)	ACT
Тор 10%	No minimum required	No minimum required
Top 11-25%	930	17
2nd Quarter	1030	20
3rd Quarter	1170	24
4th Quarter	File Review	File Review

ROHS Advanced Academics: Pre AP, Advanced Placement, & Dual Credit

Recommendations for success:

Success in pre-requisite courses & STAAR exams

A if regular course / B & above if honors course Advanced levels on STAAR tests

Take courses in your areas of strength
Do not take too many at a time
Consider other obligations

- AP courses are challenging college level courses, with the curriculum audited and teachers trained and certified by the College Board, maker of the SAT test.
- AP credit is given based on the score the student earns on the AP test at the end of the course. If the score requirement is met for your college of interest, that college could award you between 3 and 6 hours of credit for the price of that one test.
- AP courses do not have a fee; however, there is a fee for the test, which is typically just under \$100.

Dual Credit Tracks:

Dual Academic- courses are accepted by public colleges/universities as part of their core curriculum and applied to most Associate and Bachelors degrees. Visit the Texas Common Course Numbering website at http://www.tccns.org/ to determine transferability to your college.
