

BLEACHER CREATURES

Dear Parents,

The **2023 Red Oak Hawk football** season is quickly approaching and it is time to find a new crop of **Bleacher Creatures**. The **Bleacher Creatures** is a youth group aimed at students in grades K-5. They will lead the Varsity Hawks through the tunnel onto the field at the beginning of each home game.

All **Bleacher Creatures** must purchase a T-shirt for \$10.00. This price includes the T-shirt and admission to all home football games, but it does not give them a seat in the center reserved sections. **Bleacher Creatures** need to find the **Bleacher Creature** coordinator at the north end of the field by the flag poles before each home game.

All **Bleacher Creatures** must complete the registration form before they can run thru the tunnel and on the field. Forms and shirts will be available at all home games from 6:15 – 7:15 PM by the home side ticket gate.

Bring this form and payment to the home side entrance of the stadium to retrieve your shirt.

If you have any questions, contact **Tammy Howard** in the Athletic office at **972-617-4635** or email **tammy.howard@redoakisd.org**.
