

April 1, 2020

Red Oak ISD Hawks,

Though we are apart right now for our health and safety, we at Red Oak ISD continue to support each other as a community. It is important that we work together to fight COVID-19.

In order to help prevent the spread of COVID-19, ROISD will be sharing vitally important guidance over the next several weeks from the **Texas Department of Health and Human Services** and the **Texas Education Agency**. Please follow our social media pages and web page for updates, or visit the main state webpage at <https://texas.gov/#covid19>

This guidance is based on what scientists know about how to prevent the spread of COVID-19, and we hope that you will continue doing all you can to follow these practices. Also, please share them with your friends and family.

To our parents, thank YOU for what you are doing to team with ROISD to educate your children with at-home instruction. Also, thank you for the efforts you are making to keep your family healthy and safe. To our staff, thank YOU for continuing to provide instruction and other services to our students and families, while also keeping your families healthy and safe. It truly is a team effort!

If we do our part as a community during this stretch and continue following the public health practices we will be sharing over the coming days, we will be back together soon. Be safe and know you are all in my thoughts.

Stay well,

Brenda Sanford, Superintendent
Red Oak ISD
