BENEFITS

ABOUT MEDICAL TRANSPORT

Medical Transport covers emergency transportation to and from appropriate medical facilities by covering the out-of-pocket costs that are not covered by insurance. It can include emergency transportation via ground ambulance, air ambulance and helicopter, depending on the plan.

For full plan details, please visit your benefit website:

www.mybenefitshub.com/redoakisd

A MASA MTS Membership provides the ultimate peace of mind at an affordable rate for emergency ground and air transportation service within the United States and Canada, regardless of whether the provider is in or out of a given group healthcare benefits network. After the group health plan pays its portion, MASA MTS works with providers to deliver our members' \$0 in out-of-pocket costs for emergency transport.

Emergent Air Transportation In the event of a serious medical emergency, Members have access to emergency air transportation into a medical facility or between medical facilities.

Emergent Ground Transportation In the event of a serious medical emergency, Members have access to emergency ground transportation into a medical facility or between medical facilities.

Non-Emergency Inter-Facility Transportation In the event that a member is in stable condition in a medical facility but requires a heightened level of care that is not available at their current medical facility, Members have access to non-emergency air or ground transportation between medical facilities.

Repatriation/Recuperation Suppose you or a family member is hospitalized more than 100-miles from your home. In that case, you have benefit coverage for air or ground medical transportation into a medical facility closer to your home for recuperation.

Should you need assistance with a claim contact MASA at 800-643-9023. You can find full benefit details
