BENEFITS	HIGH	LOW
----------	------	-----

HOSPITAL ADMISSION BENEFIT per confinement (once per covered sickness or accident per calendar year for each insured) Payable when an insured is admitted to a hospital and confined as an in-patient because of a covered accidental injury or covered sickness. We will not pay benefits for confinement to an observation unit, or for emergency room treatment or outpatient treatment. We will not pay benefits for admission of a newborn child following his birth; however, we will pay for a newborn's admission to a Hospital Intensive Care Unit if, following birth, he is confined as an inpatient because of a covered accidental injury or covered sickness (including congenital defects, birth abnormalities, and/or premature birth).

\$1500

HOSPITAL CONFINEMENT per day (maximum of 31 days per confinement for each covered sickness or accident for each insured) Payable for each day that an insured is confined to a hospital as an in-patient as the result of a covered accidental injury or covered sickness. If we pay benefits for confinement and the insured becomes confined again within six months because of the same or related condition, we will treat this confinement as the same period of confinement. This benefit is payable for only one hospital confinement at a time even if caused by more than one covered accidental injury, more than one covered sickness, or a covered accidental injury and a covered sickness.

\$100

HOSPITAL INTENSIVE CARE BENEFIT per day (maximum of 10 days per confinement for each covered sickness or accident for each insured) Payable for each day when an insured is confined in a Hospital Intensive Care Unit because of a covered accidental injury or covered sickness. We will pay benefits for only one confinement in a Hospital's Intensive Care Unit at a time. Once benefits are paid, if an insured becomes confined to a Hospital's Intensive Care Unit again within six months because of the same or related condition, we will treat this confinement as the same period of confinement. This benefit is payable in addition to the Hospital Confinement Benefit.
