ABOUT LIFE AND AD&D

Group term life is the most inexpensive way to purchase life insurance. You have the freedom to select an amount of life insurance coverage you need to help protect the well-being of your family.

Accidental Death & Dismemberment is life insurance coverage that pays a death benefit to the beneficiary, should death occur due to a covered accident. Dismemberment benefits are paid to you, according to the benefit level you select, if accidentally dismembered.

The group term Life and Accidental Death and Dismemberment (AD&D) insurance available through your employer is a smart, affordable way to purchase the extra protection that you and your family may need. Life and AD&D insurance offers financial protection by providing you coverage in case of an untimely death or an accident that destroys your income-earning ability. Life benefits are disbursed to your beneficiaries in a lump sum in the event of your death.
