Student Achievement

Student Achievement Summary

Eastridge Elementary earned an 85 out of 100 in Student Achievement, 86 out of 100 in School Progress and 96 out of 100 in Closing the Gaps on the 2019 State Accountability Ratings. Eastridge Elementary earned an overall rating of 89% which equals a B.

Eastridge Elementary earned 5 distinctions: Academic Achievement in Math, Academic Achievement in ELAR, Top 25% in Comparative Academic Growth, Post Secondary Readiness, and Top 25% in Closing the Gaps.

Eastridge Elementary is committed to providing a safe and supportive learning environment for each of our students every day of the school year. The use of data helps teachers collaborate in Professional Learning Communities (PLC) to design quality instruction based on the needs of individual students. Our goal is to know where students are performing and to provide the appropriate level of challenge to move them to their highest potential. While academic performance is a top priority, so is the assurance that we are providing a safe and respectful learning environment for our students and staff. Lessons based on the Graduate Profile provide opportunities to allow our children to be well-rounded and focus on leading a healthy lifestyle.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Title I Program for Red Oak ISD is developed through a planning process that begins with a Comprehensive Needs Assessment (CNA). The District CNA reveals a need to focus on reading intervention at the 5 elementary campuses. Academic performance for all students in ROISD is analyzed in detail by student groups, including economically disadvantaged students; major ethnic and racial groups, students with disabilities and special needs, and LEP students. Campuses analyze results using the same groups and by individual student growth. This analysis helps personnel identify where needs are changing within our District and where efforts should be concentrated for the new school year.

Throughout the planning process the district administration and teachers identify student strengths, needs, and the interventions that are currently in place. They also assess the effectiveness of those interventions and make recommendations for revisions as needed. The planning process is used to guide program development, implementation, and evaluation. Campuses also follow this same process resulting in systemic planning that provides structure and a common vision for school improvement.

Campuses have identified the need for reading interventionists and paras to help with supplemental enrichment on their campuses. In addition, the district level needs assessment indicates that continuing with a Title I accountant one day per week will be necessary. Professional development for all Title I campuses is also an indicated need.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

During May of 2015, campus principals attended support training at Region 10 and worked intensely on the CNA requirements for Title I campuses. Components were reviewed by principal as well as the entire training cadre, with additional input from contacts at campuses and at the district level. CNA data was taken back to the campuses after training and the review process continued with campus personnel. During July of 2016 a process for including a summary of the CNA and uses of those results was developed by the Title I campus principals and the State/Federal program director. This process is

available upon request.

Campuses review their plan and update it each year after consulting with staff, parents, and community members. The compacts and parent involvement policies are reviewed and updated annually in the fall. All programs are reviewed when making decisions about the need for supplemental materials and instructions. General budget, compensatory programs, other Title programs, CTE, nutrition programs, and violence prevention programs (to name a few) are considered as part of the planning process.

2.2: Regular monitoring and revision

The CIP is a living document that is updated each time a CNA or review is conducted and changes are needed to meet the needs of our students.

2.3: Available to parents and community in an understandable format and language

The CIP is available to our parents and community members on the campus and district websites. Printed copies are available to stakeholders upon request to the campus or district office. The CIP is currently available in English, and translators are available if a parent would like to review it in Spanish.

2.4: Opportunities for all children to meet State standards

All students are held to rigorous academic standards with students being met at their current level of performance and then provided instruction meant to challenge and engage them while learning.

2.5: Increased learning time and well-rounded education

All students are held to rigorous academic standards with students being met at their current level of performance and then provided instruction meant to challenge and engage them while learning.

2.6: Address needs of all students, particularly at-risk

Interventions and programs have been developed to address the needs of our at-risk students, both academically and physically. Our family/community liaison has developed programs to insure our students have food and clothing, with references and assistance available when other needs arise.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Our Parent and Family Engagement Policy is available in English on each campus website. Printed copies are available in the campus office upon request, as is a translator.

3.2: Offer flexible number of parent involvement meetings

Parent involvement meetings are traditionally held in the evenings, but campuses also offer opportunities for families to be involved during the day through our volunteer program and field trips, as well as parent meetings. We offer opportunities through PTA, Book Fair, Title I Family STEAM Nights, monthly Eastridge Excellence assemblies, fall parent conferences, and Title I Spring Open House. We utilize a Title I parent survey for parental input into opportunities for parental involvement on campus.
