Comprehensive Needs Assessment

Demographics

Demographics Summary

Wooden Elementary is a Title I campus currently serving 502 students from PK to 5th grade. This is currently a 15% drop in enrollment from 2019-2020 when Wooden Elementary had an enrollment of 602 students. In the 2021-22 school year, Wooden houses a Functional Living specialized classroom, two resource teachers, and 1 special education para-professional. Additionally, Wooden Elementary has 7 bilingual classrooms with 3 bilingual para-professionals. There are 31 general education staff, 1 gifted and talented teacher, 2 teachers trained in dyslexia, 1 bilingual instructional coach, 1 ELAR and 1 Math instructional coach, and 1 bilingual reading interventionist. Teachers are trained in and utilize guided reading, Number Talks, Lead4Ward, Fundamental 5, Professional Learning Communities, and the TEKS Resource System. Wooden utilizes a built-in intervention/enrichment time (Talon Time) to provide on going support for all students within the school day.

Wooden Elementary is comprised of the following Ethnic Distribution:

African American: 8.5%

Hispanic: 56.5%

White: 31.46%

American Indian: 0%

Asian: .39%

Two of More Races: 3.11%

English Language Learners: 31.26%

At-Risk: 54.47%

Mobility Rate: 9.75%

Data used was from 2020-2021 school year during the Covid-19 pandemic. Students were serviced in person and virtually during the school year.

Demographics Strengths

Our attendance rate has consistently been above 96% which is an increase from 95% during the 2019-20 school year.

34 of 34 teachers are ESL certified.

30 of 34 teachers have completed the GT certification process.

In 2019-20, Wooden has 17 teachers with 10 or more years experience.

Problem Statements Identifying Demographics Needs

Problem Statement 1: As our school continues to become more and more diverse, meeting the needs of all students will continue to be our laser focus.

Student Learning

Student Learning Summary

Wooden Elementary is committed to providing a safe and supportive learning environment for each of our students every day of the school year. The use of data helps teachers collaborate in Professional Learning Communities (PLC) to design quality instruction based on the needs of individual students. Our goal is to know where students are performing and to provide the appropriate level of challenge to move them to their highest potential. While academic performance is a top priority, so is the assurance that we are providing a safe and respectful learning environment for our students and staff. Lessons based on the Graduate Profile provide opportunities to allow our children to be well-rounded and focus on leading a healthy lifestyle.

2018-19 data along with 2020-2021 data was used due to Covid-19 that occurred during the 2019-20 school year. Both sets of data were used as the 2018-19 data is pre-pandemic and the 2020-21 is during the pandemic.

School Processes & Programs

School Processes & Programs Summary

Wooden Elementary uses multiple resources to help provide focus for curriculum, instruction, and assessment. The TEKS Resource System's scope and sequence and curriculum based assessments were utilized as a guide to providing and promoting critical thinking and problem solving skills, communication, creativity, and collaboration. Each week, grade level PLCs met for intensive data analysis and planning sessions to review the skills that had been taught, the skills that would be coming up in the next weeks, and to map out strategies and activities for reteaching to fill in the gap.

- Staff will also utilize common formative assessments (campus-based) to track student growth and progress.
- Every week, teachers hold a PLC meeting to discuss the data as a group, and develop a plan for intervention based on this data.
- Progress is tracked for students by using Eduphoria and data folders. The students set goals and track their progress from assessment to assessment in data folders.

For each content area, assessment plays a vital role in driving instruction and making decisions. Wooden Elementary is committed to provide opportunities for students to interact collaboratively, with hands-on activities, performance based assessments, open-ended questions and responses, and promoting the 21st Century Skills to ensure mastery. Students are encouraged and allowed to demonstrate their learning through authentic assessments, including project-based learning, student-created products, and presentations (group and individual). We utilize TPRI, MAP Assessment, Stem Scopes, TEKS Resource System, and campus/district benchmarks for formal assessments in kindergarten through 2nd grade. In addition to these assessments, we also utilize STAAR released items and Fountas and Pinnell LLI Resources for grades 3 through 5. All special courses and programs such as special education, dyslexia, ELL, fine arts, and physical education promote and provide support for the standard of assessment utilized by our campus and district. Our ELL students are also assessed formally each year by the Texas English Language Proficiency Assessment System (TELPAS). All assessment data, whether formal or informal, is disaggregated, analyzed, and fine-tuned to drive instructional needs.

Grade level PLCs are held with campus administrators and instructional coach. The PLCs focus is on upcoming lessons, data review, and strategic planning. Grade levels have a daily common planning and focused intervention time. Formal planning and data meetings occur within a week after a formal assessment has been given.

Student progress is monitored through informal and formal assessments, along with focused tutorials and interventions. The RTI committee has ongoing meetings, after school, to provide support and academic strategies for teachers to utilize with identified students.

All staff, professional and para-professional, have many opportunities throughout the school year and summer, to attend professional development sessions, on and off campus, to enhance the teaching and learning environment for our students, and addressing the needs of our campus as identified in the plan.

School Processes & Programs Strengths

- The district curriculum bases assessments (CBA's) are created with teacher input. There is a process in place for teachers to review the assessments and give feedback as to what they feel should be changed.
- CBA's use multiple representations such as graphs, diagrams, tables, charts, etc. They also include higher order thinking and multi-step processing.
- Every week teachers hold a PLC meeting to discuss the data as a group, and develop a plan for intervention and enrichment based on this data.
- Progress is tracked for students by using goal setting and data binders. The students set goals and track their progress from assessment to assessment.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: While we are working on our PLC process we need to continue to identify the essential TEK that needs to be taught and to utilize data for intervention and enrichment.

Perceptions

Perceptions Summary

The culture at Wooden Elementary is one of family and learning. The staff and students are committed to growth in each student. The school is a safe environment where students feel they can freely express themselves. Visits to the office for major discipline events are not frequent, and these events do not effect student achievement.

Parents indicated in the Title I survey given in 2020-21 that "Wooden does an excellent job at making us fell welcome and loved like family" even during remote learning. Parents noted that staff are very friendly and personable. Parents feel like they are well informed of activities and events held by the campus.

Perceptions Strengths

We have a full time police officer who helps contribute to the feeling of safety and security at school. Wooden has several after school clubs including the student council and guitar club. Our attendance rate was above 96% for the 2020-2021 school year. Students and staff describe the culture at Wooden as family oriented. We have programs such as Wooden Warrior and Personal Best that promote and encourage positive student behaviors. Student leadership opportunities include Flag Patrol, Student Council, and Partner PE. Student discipline referrals are low. Discipline policies and procedures are both proactive and reactive. We use a program called Connect with Kids to reduce bullying and promote social skills.

- Safety drills are conducted monthly on our campus. The are orderly, well-coordinated, and well-supervised.
- Accountability is fast and accurate.
- Having an armed police officer on campus daily helps everyone feel more secure so that we can continue to educate our students without worry.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Wooden Elementary would like to bridge the connection between new families and continue to find innovative ways to increase parental and community involvement at the campus.
