• English Learners: 12.11%

At-Risk: 56.42%Dyslexia: 9.08%504: 11.72%

• Gifted and Talented: 8.16%

#### **Demographics Strengths**

• For the 2021 - 2022 school all of our ELAR teachers are ESL certified or are in the process of becoming ESL certified.

- For the 2021 2022 school year we have added more diversity to our ROMS staff. This diversity is getting closer to matching the students we serve. Of the 123 professional and support staff:
- 1. 25 are Males
- 2. 28 are African American
- 3. 9 are Hispanic

#### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** Red Oak Middle serves a diverse populations of students who make up a majority of our students. ROMS is continually working to meet the needs of ALL of our students. **Root Cause:** The cities that ROISD serve has increasingly become more diverse over the last seven - ten years.

**Problem Statement 2:** Students at Red Oak Middle School that are considered English Language Learners have regressed in their progress of learning the English language as shown by the 2019 TELPAS scores. **Root Cause:** Students at Red Oak Middle School that are considered English Language learners come to us with significant lower academic vocabulary as their non - ELL peers

#### **Student Learning**

#### **Student Learning Summary**

Red Oak Middle School is committed to meeting our students where they are and helping them grow. In our Professional Learning Communities (PLC), teachers collaborate and use data to make informed decisions on instruction in order to best help our students reach their potential. ROMS is also dedicated to help students become respectful and responsible students by holding students accountable for actions, but also ensuring that we model for our students what expectations we hold firm and how to ensure students are following them.

## **Student Learning Strengths** • Based on 2020 - 2021 scores U.S. History remained strong during the pandemic. • ROMS teachers have developed strong instructional strategies and activities that encourage students to take owenerhip of their learning. **Problem Statements Identifying Student Learning Needs Problem Statement 1:** Red Oak Middle School students are at various stages of learning. There are a lot of students who have learning gaps that must be filled. **Root Cause:** COVID Pandemic of 2020 - 2022. A lot of Red Oak Middle School Students were not on campus and a lot of students were quarantined multiple times throughout the year.

#### **School Processes & Programs**

#### **School Processes & Programs Summary**

Red Oak Middle School works with the district Curriculum Department to ensure that student needs are met through a rigorous TEKS based instructional program. A robust menu of Staff Development Offerings is put together for teachers to participate in the summer and to prepare for the upcoming school year. Teachers participate in weekly Professional Learning Community meetings where we focus on studying the TEK and planning the lesson as well as post instruction meetings where we analyze the data to further inform our instructional decisions. Student progress is monitored through our Level Up Campaign, Curriculum Based Assessments, Pre-Assessments and teacher created tests. Lead4ward's STAAR4ward series is followed closely by our Campus Instructional Team as we turn around instructional strategies, vocabulary development and other instructional tools.

Since 2017 ROMS has averaged around 96% attendance rate. ROMS started the 2020 - 2021 school year with 98.62 % of students at school. We ended the 2020 - 2021 school year at 95.53. This droop can be attributed to COVID 19 cases.

Red Oak Middle School addresses behavioral and social-emotional needs through a combination of campus, classroom and administrative support. The discipline percentage ito end the 20 - 21 school was at 13.44%. The drop rise in discipline can be attributed to a change on leadership and tighting the expectations for dress code, tardies and behavior.

#### **School Processes & Programs Strengths**

Teachers and administrators understand the planning and assessment process and use CBA's, formative assessment and teacher made tests to inform and guide instruction. Teachers have input into the development of CBA's or campus based assessments and use that data to drive instruction. Both the pre and post PLC are used to monitor whole group student growth.

#### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1:** During the 2020 - 2021 School year we saw a 12.13% raise in Discipline referrals. **Root Cause:** Due to a change in leadership in Febrary 2021 students were held to a higher standard when it came to dress code, tardies and behavior.

**Problem Statement 2:** Red Oak Middle School teachers need to refocus on using assessment data to focus on individual student growth and determine the appropriate level of challenge for each individual student. **Root Cause:** ROMS Middle School teachers need to refocus on breaking down the TEKS and data portion of individual students.

#### **Perceptions**

#### **Perceptions Summary**

Our core values and beliefs at Red Oak Middle School are to embrace the 4 talons of the Graduate Profile by:

**Embracing 21st Century Technology** 

Creating supportive, healthy and positive relationships

Fostering individuality; one size does not fit all

ROMS embraces building relationships while holding students accountable for academic excellence. Our campus strives to "Capture Kids Hearts" as we know that students will learn most willingly from people who genuinely care about their well-being.
